**Subject:** FW: City of Beloit - Amendment to AB 457

Marc:

After review of subject Assembly Bill amendment the Department of Revenue would like to suggest the following changes to **Section 2m. Nonstatutory provisions**. This is in response from Senator Robson's office to work directly with you.

### **Section 2m. Nonstatutory provisions:**

(1) CITY OF BELOIT TAX INCREMENTAL DISTRICTS. With regard to resolutions adopted by the city of Beloit common council on September 4, 2007, to which sections 66.1105(4)(gm)4.c. of the statutes applies, the 12 percent limit described in section 66.1105(4)(gm)4.c. of the statutes does not apply.

**Reason:** DOR would like to see legislation specific to the City of Beloit TID Nos. 3 (territory amendment) and 14 (newly created), for which this legislation is being written. This would also be consistent with the original Assembly Bill purpose for Village of Union Grove #4 and similar language for exclusion from the 12% value limit.

We request review of this proposal in final format prior to introduction. DOR does appreciate the opportunity to review this legislation.
